You may need to offload and park at the rear of the building (Roller door)

Sunday 14th. The fair will close at 3.00pm

Vendors are to please unload as quickly as practical at the rear roller door and then move their vehicles away from the entrances to allow others to offload.

Pallet jacks (2) and some pallets, will be available to move goods in and around the venue.

There may be a small number of assistants at the venue to help move materials into the venue. These persons will have ID and are there **voluntarily**. Please treat these persons with courtesy.

If a wall space is made available, any form of device used to support any item on display, must be totally removed before the exhibitor leaves the venue and no damage to the building is permitted.

Any sharp objects that might damage the floor must be suitably protected from doing so. **The Exhibitor will be billed for any damage. *Please bring carpet offcuts.***

During opening hours, no obstruction in walkways is permitted and no goods are allowed to be placed in front of tables or outside the line of the tables.

****All tables are now 6ft (1.8m) @ \$50 per (see booking form)****

All tables must be cloth covered and the covering extended to the floor. This will present a more visually pleasing aspect within the venue. It is also recommended that goods delivered on Friday evening should, where practical, be placed under cover at night.

Smoking and the consumption of alcohol are **NOT** permitted in the venue.

I/D bands (provided by the organisers and collected at the venue) **MUST** be worn at all times during the fair, this is for security. ***We may not have free tea/coffee this year. This TBA .** All food is provided by Venue catering, **OUTSIDE** of our venue.*

It will be helpful for Dealers to wear personal identification badges. These are **NOT** supplied.

Trading hours are **9.00 am – 4.30 pm** on Saturday and **9am – 3.00pm** on Sunday

Vendors are required NOT to leave before the termination of business on either day, as doing so does compromise security and increase the risk of accident to patrons. There is also the increased risk of theft if your site is left unattended.

ALL sales must be completed with some form of a "receipt" attached. This is check as much for you, as for security. Without a receipt it will be assumed that the transaction was not completed. The "receipt" need only be something to say eg. "1 book" or "2 badges", and your business name stamp or signature. These can be pre-written and should effectively prevent shoplifting, as the security at the exit door will be tight.

There will be full walk through electronic scanning security at the exit. This has become mandatory because of certain items on sale.

NOTE - Fees for site hire must have all been paid prior to the event date.

The venue may be used later on the Sunday afternoon, so by 4.30pm at the latest; the venue **HAS** to be cleared of ALL Fair related items. Your co-operation in packing up your displays, in a prompt and timely manner, is respectfully requested and required.

To further speed the process, having packed your goods, you can be assisted by Club members in transporting your goods to your vehicle. We are **NOT** pushing you out. It's just a question of logistics. We thank you for this co-operation.

The organisers sincerely wish that this weekend will be a profitable one for you.

Thank you
